AVAILABLE TO WESTERN COOPERATIVE ELECTRIC MEMBERS

These rebate programs are designed to encourage energy-efficient upgrades while helping members manage long-term energy costs.

Why Energy EFFICIENCY MATTERS

A few simple upgrades can provide long-term benefits:

- ✓ Lower monthly electric bills
- ✓ Improved comfort throughout the year
- ✓ Increased equipment reliability
- ✓ Reduced maintenance costs
- ✓ Support for energy conservation

Western Cooperative Electric is committed to helping members make smart energy investments.

Small Changes today lead to big savings tomorrow.
