

BUDGET PAYMENT PLAN REQUEST

Western Cooperative Electric Association Inc.

P.O. Box 278

WaKeeney, KS 67672

I am requesting to be put on a budget payment plan at Western Cooperative Electric. This allows a level, even monthly payment. I will, on a monthly basis, pay the average of my last 12 months charges by the due date on the statement before 5:00 p.m. I will be notified either by phone or by mail of the amount my budget payment will be. The budgeted payment amount is the past total charges divided by 12 and then rounded to the next dollar figure ending in zero or five.

The monthly payment will continue until either Western Cooperative Electric or I decide to discontinue with this agreement by giving a written notice to the other.

If payments are missed or are continuously late, I may be removed from the budget plan and the remaining balance will be due in full at that time and I will then be billed on the regular usage and rate on a monthly basis.

The budget figure will be reviewed and recalculated on an annual schedule, in January, and from time to time if usage changes significantly and I will be notified either by phone or mail.

If I have a "self read" meter, I will continue to read my meter on the 15th of each month and will notify Western Cooperative Electric of these readings by e-mail, phone, or mail.
